

Part Change Notification:

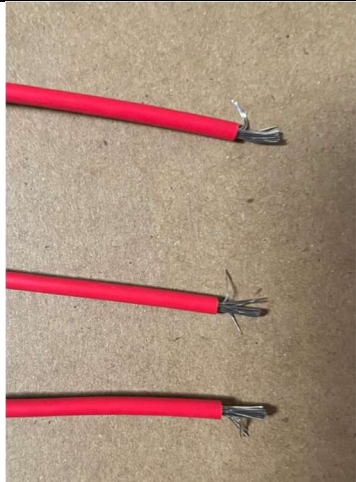

Dear valued customer, please be advised that the part number(s) listed in the table below have undergone a change that may impact form, fit, function, or material. A detailed breakdown of this change is provided within this document.

Affected Part Number(s):

LPR-02B-16R

Detailed Description of Change:

- Pre-cut wire strips will be added to the end of the wires. This change will help prevent instances where wires may scratch the bodies of other fuse holders. This will also keep wires more secure during the shipping process:

Before	After
	

Effective Date: December 8th, 2025

* Please note that parts using the original specifications may still be provided as OptiFuse works off the stock that it has on hand.

If you have any questions regarding this change, please contact OptiFuse at sales@optifuse.com or reach out to your local sales rep for further details.
